

REMARKS

Claims 36-42 have been cancelled to eliminate the Examiner's objection to the drawings and specification. Drawing FIG. 2, and the specification have been amended to address the remaining objections to the drawings.

No new matter has been added by any of the aforementioned amendments.

Having dealt with all the objections raised by the Examiner, the Application is believed to be in order for allowance. Early and favorable action are respectfully requested.

In the event there are any fee deficiencies or additional fees are payable, please charge them (or credit any overpayment) to our Deposit Account Number 08-1391.

Respectfully submitted
